

Update to OMREB Education & Invoice History Site

You can now add social networking links to your online profile!

OMREB and CREA have recently completed the software changes required to add social networking links to your online profile so they will display in CREA's online services -- **REALTOR.ca**, **REALTORLink®**, and **ICX.ca** -- and add/update this information in **MATRIX®** (OMREB's MLS® system) and in **MMSI** (OMREB's membership database).

Currently, the system supports **Facebook, LinkedIn and Twitter**.

Entering your Social Networking URLs

In order to have your Social Networking Links display, you must enter them into your profile on **MATRIX/REALTOR.ca**. To carry this out, login to OMREB's online **Education and Invoice History** site (please note new URL below).

1. Sign in to OMREB's **Education and Invoice History** site – the same website for online course registration. The link is new, so please delete the old one and replace it.

NEW URL – please **Bookmark and add to “Favourites”:**

http://mmsi-web.omrebmls.ca/index.php?client_id=OMREB

(For easy access, this link is provided on the MATRIX Home Page under “Exterior Links”.)

OLD URL – please **delete from saved “Favourites” and Bookmarks:**
