7.14 Multi Media Links

All multimedia links made available on REALTOR.ca if implemented by the OMREB, namely: alternate feature sheet – field 63; virtual tour – field 64; sound bites – field 65; sales brochure – field 66; additional photos – field 67; and Board preferred map service to locate property – field 84, **must be limited to property specific information** and advertisement of private sales is not permitted on those links.

Further, webpages linked directly from REALTOR.ca through multimedia links must not indicate where private sale information can otherwise be located. Webpages linked directly from REALTOR.ca through multimedia links or 'REALTOR® Website' links cannot automatically redirect users to a third party site. In accordance with The Canadian Real Estate Associations' MLS® Technology Council's Policy, **multimedia links are to be limited to their respective fields**. This ensures that REALTOR.ca **displays information that consumers expect to see on the link they wish to use**. MLS® Systems are member to member cooperative systems and members who participate on REALTOR.ca (which is a member developed and financed site) must respect the member to member facet in all multimedia links provided in association with REALTOR.ca.
